

## Statement of Position

June 18, 2021

**Comments on N2021-1** I am not a part of the Postal Sector. My understanding is that Postmaster General DeJoy's tenure has been the worst period for the Postal Service in my lifetime, and that his proposed 10 year plan may be the most destructive thing for the Postal Service that he has done during his tenure.

Sincerely,  
Samuel Newbold
